

# German, Minor

## Requirements

The undergraduate minor in German requires a minimum of 15 s.h. in college-level German courses, including at least 12 s.h. in courses taken at the University of Iowa. All Department of German courses (prefix GRMN) numbered 3000 or above and taught in German count toward the minor. Students must maintain a g.p.a. of at least 2.00 in all courses for the minor and in all UI courses for the minor. Coursework in the minor may not be taken pass/nonpass.

The minor may include a maximum of 3 s.h. in Department of German courses numbered 2002-2100 (e.g., GRMN:2002 Intermediate German II). The German Language and Culture Advanced Placement (AP) exam with a score of 4 or higher is considered to be equivalent to GRMN:2002. Furthering Language Incentive Program (FLIP) credit courses count as equivalent to GRMN:2002 and 3 s.h. is applicable toward the minor.

Students may count one Department of German course taught in English numbered 2500-2999 toward the minor by registering for 4 s.h. of credit for the course instead of 3 s.h.; the additional 1 s.h. of credit reflects an added research component. Courses taught in English taken for 3 s.h. do not count toward the minor. See "German in Translation Courses" below. View 3000-level course selections (prefix GRMN) under Courses in this section of the Catalog.

With the approval of the director of undergraduate studies, students may count up to 6 s.h. earned in study abroad toward the minor. Students also may apply one course from the University of Iowa Honors Program to the requirements toward the minor when that course concerns German culture or language; consult the director of undergraduate studies for approval.

## Study Abroad

The University of Iowa offers a number of opportunities for study in Germany, Switzerland, and Austria. Students frequently choose to participate in the summer USAC Lüneburg program, the Dortmund University Exchange, or the Academic Year in Freiburg program at the Albert Ludwig University of Freiburg. Students should consult the Office of Study Abroad and the German undergraduate advisor to select a program that fits their interests.

Students pursuing a minor in German often enroll in one of the summer sessions offered by the USAC Lüneburg program, but minors are eligible for all study abroad programs offered by the University. Up to 6 s.h. of study abroad credit can be applied to the requirements for the minor.

For more information about study abroad opportunities, contact the Department of German or International Programs Study Abroad.

## Teacher Licensure

Students who plan to use their work toward a minor in German as academic background for earning teacher licensure should contact the Office of Student Services in the College of Education about requirements.
