Facilities

The Center for Language and Culture Learning provides a wide variety of facilities and services to the Division of World Languages, Literatures and Cultures (DWLLC), including a 24-computer Instructional Technology Center (ITC), five All-In-One Studios/small group study rooms equipped with video production and editing software, a Computer Assisted Language Learning Lab with 25 computers integrated with Sanako software for language practice, a SignALL lab for American Sign Language learning and practice, and virtual reality hardware and development space.

The center provides spaces for quiet study as well as for group meetings. Departments, programs, and student organizations are welcome to host conversation hours, film nights, study groups, workshops, and more. The center supports a robust peer tutoring program in many of the languages taught in DWLLC, with both in-person and online availability, as well as Directed Independent Language Study, through which faculty, staff, or students can be paired with a tutor to learn a language not taught in the DWLLC.

An extensive collection of works and periodicals at University of Iowa Libraries facilitates research in all major areas of German literature and Germanic linguistics and at all levels of study.
