# Sport and Recreation Management, M.A.

## Requirements

The Master of Arts program in sport and recreation management requires a minimum of 30 s.h. Required coursework (21 s.h.) includes experiential learning in a field experience course and a capstone course that allows students to perform research in an area of interest that has practical application during the final semester before graduation.

The M.A. with a major in sport and recreation management requires the following coursework.
