

Health and Human Physiology, MS

Admission

Applicants to the MS program must have an undergraduate grade-point average (GPA) of at least 3.00. They also must meet the admission requirements of the Graduate College; see the Manual of Rules and Regulations on the Graduate College website.

Application deadline is Feb. 1 for admission the following fall.

Child Life Subprogram Admission

In order to be admitted to the subprogram, students must:

- hold a BS or BA degree with a GPA of at least 3.00;
- have completed one course each in human anatomy, medical terminology, and two courses in child development that focus on children and adolescents; and
- three letters of recommendation (e.g., from a certified child life specialist, professor, advisor, and/or someone who has observed the student working with children and families in health care or non-health care settings)

Students who have not completed an introductory course in child life must enroll in TR:2077 Children and Families in Healthcare during their first semester.

Clinical Exercise Physiology Subprogram

In order to be admitted to the subprogram, students must:

- hold a BS or BA degree with a GPA of at least 3.00; and
- have completed anatomy and physiology with laboratories (8 s.h.).
