

# Sport and Recreation Management, BS

## Academic Plans

### Four-Year Graduation Plan

The following checkpoints list the minimum requirements students must complete by certain semesters in order to stay on the university's Four-Year Graduation Plan. Courses in the major are those required to complete the major; they may be offered by departments other than the major department.

**Before the fifth semester begins:** four foundation courses, at least 3 s.h. in the concentration area, and 3 s.h. in a field experience course.

**Before the seventh semester begins:** two more foundation courses (total of six), an additional 6 s.h. in the concentration area, and at least 90 s.h. earned toward the degree.

**Before the eighth semester begins:** two more foundation courses (total of eight), an additional 3 s.h. in a field experience course, and one remaining concentration area course (3 s.h.).

**During the eighth semester:** enrollment in the final 3 s.h. in a field experience course, all remaining coursework in the major, all remaining GE CLAS Core courses, and a sufficient number of semester hours to graduate.

### Sample Plan of Study

Sample plans represent one way to complete a program of study. Actual course selection and sequence will vary and should be discussed with an academic advisor. For additional sample plans, see MyUI.

or SRM:4199 or SRM:4196 or Independent Sport and Recreation Field Experience or Interscholastic Athletic Administration Field Experience	
GE CLAS Core: Historical Perspectives <sup>b</sup>	3
Elective course <sup>c</sup>	3
Elective course <sup>c</sup>	3
Degree Application: apply on MyUI before deadline (typically in February for spring, September for fall) <sup>f</sup>	
<b>Hours</b>	<b>15</b>
<b>Total Hours</b>	<b>125-131</b>

a Sustainability must be completed by choosing a course that has been approved for Sustainability AND for one of these General Education areas: Natural Sciences; Quantitative or Formal Reasoning; Social Sciences; Historical Perspectives; International and Global Issues; Literary, Visual, and Performing Arts; or Values and Society.

b GE CLAS Core courses may be completed in any order unless used as a prerequisite for another course. Students should consult with an advisor about the best sequencing of courses.

c Students may use elective courses to earn credit towards the total s.h. required for graduation or to complete a double major, minors, or certificates.

d SRM:2100 is not required for the major but is strongly recommended as a way to connect with the program and be prepared for the field experience opportunities.

e Students who have completed four levels of a single language or two levels of two different languages in high school or college have satisfied the GE CLAS Core World Languages requirement. Students who have completed three levels of a single language may complete a fourth-level course in the same language or may choose an approved World Language and Cultural Exploration course. Enrollment in world languages courses requires a placement exam, unless enrolling in a first-semester-level course. Contact your academic advisor or CLAS Undergraduate Programs Office with questions concerning the World Languages requirement.

f Please see Academic Calendar, on Office of the Registrar website, for current degree application deadlines. Students should apply for a degree for the session in which all requirements will be met. For any questions on appropriate timing, contact your academic advisor or Degree Services.
