a Students must complete specific requirements in the University of Iowa Graduate College after program admission. Refer to the Graduate College website and the Manual of Rules and Regulations for more information.

b Students must complete HIST:6002 during the first semester.

c Students must complete at least seven graduate level history (or related field) courses numbered 6000 or above; work with faculty advisor to determine appropriate coursework and sequence.

d Work with faculty advisor to determine appropriate elective coursework and sequence.

e The department has a basic world language requirement for the PhD. However, the faculty advisor may require a student to demonstrate a reading knowledge of one or more languages and proficiency in the use of other study tools. Students may not complete the comprehensive examination until these requirements have been met.

f Must be completed prior to the end of second year fall semester.

g Students who enter the program without an MA must write a second research paper. This paper can be completed anytime between the 1st and 5th semesters and should be

complete before beginning the comprehensive exam prep courses.

- h Written and oral examination typically completed during the seventh semester; more information is included in the General Catalog and on department website.
- i Typically completed during the seventh semester, written prospectus for the dissertation is submitted to the faculty advisor before the comprehensive exams; the student defends the prospectus within two weeks of passing the oral portion of the comprehensive examination.
- j Dissertation defense.
