### Honors in the Major

Students have the opportunity to graduate with honors in the major; they usually complete the honors requirements of a particular department or program appropriate to their area of study. Students should initiate inquiries about graduating with honors in the interdepartmental studies major by contacting the Interdepartmental Studies Program (ISP) coordinator; they should inquire early in their junior year to allow time for foundation coursework. Students must submit an honors project approval form to the ISP coordinator.

The College of Liberal Arts and Sciences requires that students who earn honors in the major maintain a minimum University of Iowa cumulative grade-point average (GPA) of at least 3.33 and a minimum major GPA of at least 3.33. Additional GPA standards and requirements are set by each department or program.
