Courses

Iowa Sciences Academy Courses

IBA:1041 IBA Student Development Seminar 1 s.h.
Academic and professional development; presentations by faculty researchers, admissions representatives, or students in graduate bioscience programs; discussions about succeeding at the University; talks by professional educators on topics such as effective study skills.

IBA:3992 IBA Research in Biomedical Science 0 s.h.
Registration in a section taught by student's research mentor. Requirements: enrollment in IBA.

IBA:4041 Senior Capstone Project 1 s.h.
Structure for development, planning, and implementation of a culminating project for the Iowa Sciences Academy; students dedicate three to five hours per week to the project and are encouraged to connect their projects to community issues or problem; integration of external learning experiences and activities including interviews, scientific observations, or internships.
