Journalism, M.A.

Career Advancement

This is an academically oriented degree that prepares students for doctoral studies or a career in research.

The M.A. program is designed to meet the needs of:

1. Journalism and mass communication students who have earned a bachelor’s degree and wish to continue their education; M.A. students can be considered for admission into the doctoral program after completion of all their M.A. degree requirements.

2. Experienced journalists or communicators who wish to prepare themselves for teaching by earning the M.A. degree, possibly continuing on to earn their Ph.D.
