Exam: Doctoral Final Exam ^k		
Hours		1
Total Hours		42

- a Students entering with a bachelor's degree must work with their faculty advisor to complete 30 s.h. of appropriate graduate coursework. Students entering with fewer than 30 s.h. of coursework from the master's degree must work with their faculty advisor to complete the needed appropriate graduate coursework.
- b Students must complete specific requirements in the University of Iowa Graduate College after program admission. Refer to the Graduate College website and the Manual of Rules and Regulations for more information.
- c Taken four times for 1 s.h. each; students should enroll every semester for first two years of study.
- d Students are required to complete 3 s.h. of methods area, 3 s.h. of theory area, and 15 s.h. of elective coursework.
- e Work with faculty advisor to determine appropriate graduate coursework; see the General Catalog and department website for specifics.
- f Completed at the end of first year to directly assess understanding of content from two approaches courses.
- g Students are required to take a total of 3 s.h. of professionalization courses; consult with faculty advisor to determine which courses best align with career goals.
- h Prior to comprehensive exam, work with faculty advisor and committee to build the proposals literature review; see the General Catalog and department website for specifics.
- i Minimum total of 4 s.h. of thesis credit required.
- j Writing and defending the dissertation proposal satisfies the comprehensive exam requirement. The dissertation proposal must clearly indicate the logical steps necessary for the completion of the project and suggest a plan of action.
- k Dissertation defense.
