

# American Sign Language, Minor

## Academic Plans

The following checkpoints list the minimum requirements students must complete by certain semesters in order to stay on track to graduate in the typical four-year time frame to meet the requirements for the ASL minor:

- before the third semester begins, students should have completed ASL:1001 American Sign Language I (this course should be taken as early as possible); and
- before the sixth semester begins, students should have completed ASL:2002 American Sign Language IV.

## Sample Plan of Study

Sample plans represent one way to complete a program of study. Actual course selection and sequence will vary and should be discussed with an academic advisor. For additional sample plans, see MyUL.
