Linguistics, PhD

Career Advancement

Career opportunities in linguistics can be found in academia, government, industry, and the nonprofit sectors.

A number of companies, such as Amazon, Microsoft, Xerox, Apple, Hewlett-Packard, and other high-tech firms, regularly hire employees with linguistics degrees. Opportunities also exist for government work, for example, as a special agent linguist for the FBI.

The Linguistic Society of America has a wealth of resources available to individuals interested in pursuing a career in linguistics.

The Pomerantz Career Center offers multiple resources to help students find internships and jobs.
