## Academic Plans

### Four-Year Graduation Plan

The following checkpoints list the minimum requirements students must complete by certain semesters in order to stay on the university's Four-Year Graduation Plan. Courses in the major are those required to complete the major; they may be offered by departments other than the major department.

**Before the fifth semester begins:** completion of fourth-level proficiency or two world language courses numbered 2000 or above, TRNS:2000 Translation and Global Society, and one additional major course.

**Before the seventh semester begins:** three more courses in the major and at least 90 s.h. earned toward the degree.

**Before the eighth semester begins:** two more courses in the major.

**During the eighth semester:** enrollment in all remaining coursework in the major, all remaining GE CLAS Core courses, and a sufficient number of semester hours to graduate.

### Sample Plan of Study

Sample plans represent one way to complete a program of study. Actual course selection and sequence will vary and should be discussed with an academic advisor. For additional sample plans, see MyUI.

requirements will be met. For any questions on appropriate timing, contact your academic advisor or Degree Services.

a Sustainability must be completed by choosing a course that has been approved for Sustainability AND for one of these General Education areas: Natural Sciences; Quantitative and Formal Reasoning; Social Sciences; Historical Perspectives; International and Global Issues; Literary, Visual, and Performing Arts; or Values and Society.

b Typically this course is offered in fall semesters only. Check MyUI for course availability since offerings are subject to change.

c Students who have completed four levels of a single language or two levels of two different languages in high school or college have satisfied the GE CLAS Core World Languages requirement. Students who have completed three levels of a single language may complete a fourth-level course in the same language or may choose an approved World Language and Cultural Exploration course. Enrollment in world languages courses requires a placement exam, unless enrolling in a first-semester-level course. Contact your academic advisor or CLAS Undergraduate Programs Office with questions concerning the World Languages requirement.

d Typically this course is offered in spring semesters only. Check MyUI for course availability since offerings are subject to change.

e Students may use elective courses to earn credit towards the total s.h. required for graduation or to complete a double major, minors, or certificates.

f GE CLAS Core courses may be completed in any order unless used as a prerequisite for another course. Students should consult with an advisor about the best sequencing of courses.

g Students must demonstrate language proficiency by successfully completing either a course numbered 4000 or above or a course at the highest level available in that language at the University of Iowa. Students should continue language study if proficiency has not yet been reached. See General Catalog and consult an advisor for more information.

h See General Catalog for full list of approved courses.

i Students must complete 6 s.h. in elective courses in consultation with a faculty advisor. See General Catalog for examples of acceptable choices; see advisor for full list of approved courses.

j Students can complete the outreach and engagement requirement in one of three ways: an internship registered as TRNS:3491 or TRNS:3498, or another internship or study abroad experience approved by the translation program.

k Students must complete TRNS:4500 or an approved language-specific capstone related to translation in a Division of World Languages, Literatures, and Cultures department.

l Please see Academic Calendar, Office of the Registrar website for current degree application deadlines. Students should apply for a degree for the session in which all
