Latham Science Engagement Initiative

Chair, Department of Biology

Tina L. Tootle

Program Director, Latham Science Engagement Initiative

Lori Adams (Biology)

Faculty: https://isa.uiowa.edu/people

Website: https://isa.uiowa.edu/programs/latham

Admission

Students must apply for this program on the Latham Science Engagement Initiative website. Requirements include first-year, sophomore, or junior standing at the time of application; a grade-point average of at least 3.00; a minimum of one semester of undergraduate research experience preferred but not required; and an interest in speaking about science in a public forum.
