- Joshua Weiner

Associate Dean for Undergraduate Education
- Cornelia C. Lang

Undergraduate majors: BA; BS; BFA; BM

Graduate degrees: programs leading to DMA; MA; MFA; MS; MSW; PhD (degrees conferred by the Graduate College)

Website: https://clas.uiowa.edu

Students who begin their study in CLAS may apply to degree programs in other colleges at the University of Iowa. If they are accepted, they may earn undergraduate degrees in business (BBA), education (BA), engineering (BSE), nursing (BSN), or public health (BA or BS); a BS with a major in medical laboratory science, nuclear medicine technology, or radiation sciences; or a professional degree in pharmacy (PharmD). Use the General Catalog's Catalog Contents page to link to these programs.

Students who are interested in earning a professional or graduate degree in addition to a bachelor's degree may apply for early admission or to combined degree programs offered through partnerships between CLAS and other UI colleges. Students admitted to these programs may count a limited amount of credit toward both degrees. CLAS has early admission programs with the College of Dentistry (DDS) and the College of Law (JD), for example. Combined bachelor's/graduate degree programs are available in several disciplines; see Combined Programs in the Graduate College section of the catalog.

CLAS offers a wide selection of undergraduate certificates and minors. CLAS students also may earn undergraduate certificates and minors offered by other colleges. For lists of all undergraduate certificates and minors offered by the university, see Find Your Program in the catalog and select those programs of study.

Graduate Degrees and Certificates

The College of Liberal Arts and Sciences offers graduate programs in most of its disciplines, with degrees conferred by the Graduate College. Students may earn degrees at the master's and doctoral levels; graduate certificates are available in some areas of study. See the Graduate College section of the catalog for a complete list of graduate degrees offered by the university.

For information about CLAS graduate programs, consult the specific academic programs.
