mathematics, ba

combined programs

ba(mat (mathematics education
subprogram)

the college of liberal arts and sciences and the college of
education offer students the opportunity to earn their bachelor of
arts/master of arts in teaching degree with a mathematics education
subprogram in as little as five years. students can begin work toward
the mat while completing their bachelor's degree. the combined
program allows students to count a limited amount of credit toward
both the ba and mat degree requirements.

separate application to each program is required. for more
information, see mathematics education in the master of arts in
teaching, mat (college of education) section in the catalog.
