Honors in the Major

Students have the opportunity to graduate with honors in the major. They must have a minimum grade-point average (GPA) of 3.80 in music coursework and a minimum cumulative University of Iowa GPA of 3.33.

Students must complete at least 6 s.h. of honors work in music, generally during their junior and senior years. They must earn at least 3 s.h. of the required honors work in MUS:4995 Honors in Music by completing one or more honors projects, such as solo or ensemble recitals; compositions, transcriptions, orchestrations, or arrangements; and essays, research papers, editions, or translations. Honors projects must be in addition to the projects required for graduation with a major in music.

Students may also earn honors credit in other honors courses (undergraduate courses numbered 3000 or above) or in approved graduate courses (music history and music theory are particularly recommended).

For complete details about the requirements for graduation with honors in the music major, visit Honors in Music on the School of Music website and consult the school's honors advisor.
