Electives

All students must complete 12 s.h. in coursework numbered 4000 or above. They should consult the graduate studies director for approval of elective coursework.

Final Examination

Students must pass an oral final examination that will not exceed three hours in length. They are informed of at least one of the exam questions no later than one week before their exam. Students who fail may petition the MA examination committee for a second opportunity to pass the exam. The second exam must be scheduled no sooner than three months, nor later than one year, after the date of the examination.

Combined Programs

MA/JD

The Department of Philosophy and the College of Law offer a combined Master of Arts/Juris Doctor program. MA/JD students may count 12 s.h. earned in the combined program toward both degrees. They must earn 18 of the 30 s.h. required for the MA in graduate-level philosophy courses (the usual requirement is 24 s.h.). They also must earn a minimum of 36 s.h. in undergraduate and graduate philosophy courses, combined (the usual requirement is 42 s.h.).

Separate application to each degree program is required. Applicants must be admitted to both programs before they may be admitted to the combined degree program.
For more information about the JD, see Juris Doctor, JD (College of Law) in the catalog.

**Admission**

Applicants must meet the admission requirements of the Graduate College; see the Manual of Rules and Regulations on the Graduate College website.

**Career Advancement**

The graduate program is designed to train teachers and scholars in philosophy. The Department of Philosophy also is invested in helping students to use their philosophical training careers outside of academia.

The Pomerantz Career Center offers multiple resources to help students find internships and jobs.
