Astronomy, B.S.

Academic Plans

Four-Year Graduation Plan

The following checkpoints list the minimum requirements students must complete by certain semesters in order to stay on the University's Four-Year Graduation Plan. Courses in the major are those required to complete the major; they may be offered by departments other than the major department.

Before the third semester begins: calculus I-II and physics II.

Before the fifth semester begins: all of the remaining required math courses, physics III-IV, and two other courses in the major.

Before the seventh semester begins: four more courses in the major and at least 90 s.h. earned toward the degree.

Before the eighth semester begins: three more courses in the major.

During the eighth semester: enrollment in all remaining coursework in the major, all remaining GE CLAS Core courses, and a sufficient number of semester hours to graduate.

Sample Plan of Study

Sample plans represent one way to complete a program of study. Actual course selection and sequence will vary and should be discussed with an academic advisor. For additional sample plans, see MyUI.

Astronomy, B.S.

Course		| Title		| Hours
---|---|---
Academic Career
Any Semester
Research: students are strongly encouraged to be active participants in research within the department.

Students can pursue a double major in astronomy and physics and earn more than 56 s.h. from the department toward these degrees but must also complete at least 56 s.h. outside of the Department of Physics & Astronomy.

GE CLAS Core: Sustainability

GE CLAS Core: Sustainability

First Year
Fall
ASTR:1771	| Introductory Astronomy I: Basic Astrophysics and Planetary Astronomy	| 4
PHYS:1701	| Physics I	| 4
MATH:1850	| Calculus I	| 4
RHET:1030 or ENGL:1200	| Rhetoric or The Interpretation of Literature	| 3 - 4
CSI:1600	| Success at Iowa	| 2

Spring
ASTR:1772	| Introductory Astronomy II: Stellar, Galactic, and Extragalactic Astronomy	| 4
PHYS:1702	| Physics II	| 4
MATH:1860	| Calculus II	| 4
RHET:1030 or ENGL:1200	| Rhetoric or The Interpretation of Literature	| 3 - 4

Second Year
Fall
PHYS:2703	| Physics III	| 4
MATH:2700	| Introduction to Linear Algebra	| 4
GE CLAS Core: Diversity and Inclusion
GE CLAS Core: World Languages First Level Proficiency or elective course

Spring
PHYS:2704	| Physics IV	| 3 - 4
MATH:2850	| Calculus III	| 4
GE CLAS Core: International and Global Issues
GE CLAS Core: World Languages Second Level Proficiency or elective course

Third Year
Fall
ASTR:3771	| Introduction to Astrophysics I	| 3
PHYS:3756	| Intermediate Laboratory	| 3
PHYS:3811	| Electricity and Magnetism I	| 3
GE CLAS Core: World Languages Second Level Proficiency or elective course

Spring
ASTR:3772	| Introduction to Astrophysics II	| 3
PHYS:3710	| Intermediate Mechanics	| 3
PHYS:3812	| Electricity and Magnetism II	| 3
GE CLAS Core: World Languages Fourth Level Proficiency or elective course

Fourth Year
Fall
PHYS:3741	| Introduction to Quantum Mechanics I	| 3
GE CLAS Core: Historical Perspectives
GE CLAS Core: Social Sciences
GE CLAS Core: Values and Culture
Elective course

Spring
ASTR:4850	| Astronomical Laboratory	| 3
PHYS:3742	| Introduction to Quantum Mechanics II	| 3
GE CLAS Core: Literary, Visual, and Performing Arts
Elective course
Elective course
Elective course
Degree Application: apply on MyUI before deadline (typically in February for spring, September for fall)

a. Sustainability must be completed by choosing a course that has been approved for Sustainability AND for one of these General Education areas: Natural Sciences; Quantitative and Formal Reasoning; Social Sciences; Historical Perspectives; International and Global Issues; Literary, Visual, and Performing Arts; or Values and Culture.

b. Enrollment in math courses requires completion of a placement exam.

c. GE CLAS Core courses may be completed in any order unless used as a prerequisite for another course. Students should consult with an advisor about the best sequencing of courses.

d. Students who have completed four years of a single language in high school have satisfied the GE CLAS Core World Languages requirement. Enrollment in world languages courses requires a placement exam, unless enrolling in a first-semester-level course.

e. Typically this course is offered every other year. Check MyUI for course availability since offerings are subject to change.

f. Students may use elective courses to earn credit towards the total s.h. required for graduation or to complete a double major, minors, or certificates.

g. Students who plan to pursue graduate study are advised to go as far as they can beyond the minimum requirements. See General Catalog for a list of appropriate courses.

h. Please see Academic Calendar, Office of the Registrar website for current degree application deadlines. Students should apply for a degree for the session in which all requirements will be met. For any questions on appropriate timing, contact your academic advisor or Graduation Services.
