

Political Science, B.A.

Requirements

The Bachelor of Arts with a major in political science requires a minimum of 120 s.h., including 36 s.h. of work for the major (all in political science courses). At least 18 s.h. of coursework for the major must be taken at the University of Iowa. Students must maintain a g.p.a. of at least 2.00 in all courses for the major and in all UI courses for the major. They also must complete the College of Liberal Arts and Sciences GE CLAS Core.

Credit earned in POLI:1000 First-Year Seminar, POLI:3124 Guided Political Science Internship, POLI:3710 Law School Readiness Seminar, and POLI:4900 Government and Politics Internship does not count toward the major, but grades in these courses become part of a student's grade-point average.

In planning coursework, students should be guided by the College of Liberal Arts and Sciences maximum hours rule: students earning a B.A. may apply a maximum of 56 s.h. earned in one department to the minimum 120 s.h. required for graduation, whether or not the coursework is accepted toward requirements for the major; students who earn more than 56 s.h. from one department may use the additional semester hours to satisfy requirements for the major (if the department accepts them), and the grades they earn become part of their grade-point average; but they cannot apply the additional semester hours to the minimum 120 s.h. required for graduation.
