

Political Science, B.S.

Most of the political science coursework required for the major is the same for B.S. and B.A. students, but the major for the B.S. includes a political science research component. The major for the B.S. also requires a set of mathematics/statistics courses, while the major for the B.A. does not.

Learning Outcomes

Graduates will:

- possess a basic understanding of American and world politics,
- be able to apply a theoretical approach in political science to understand American or world politics,
- have effective written and oral communication skills, and
- be able to conceptualize problems and apply analytical tools to solve them.
