

# Political Science, PhD

## Admission

Because the number of positions available in the PhD program is limited, the competition for admission is keen. However, applicants who did not major in political science or who are not acquainted with quantitative research methods are not at a disadvantage.

The deadline for application and consideration for assistantships and fellowships is Jan. 7.

Admission requirements include a baccalaureate degree, an undergraduate grade-point average (GPA) of at least 3.30 on a four-point scale (or its equivalent for international applicants), and three letters of recommendation from persons who can comment upon the applicant's academic ability and motivation. For applicants who have pursued graduate work elsewhere, a graduate GPA of at least 3.50 is required.

Applicants must meet the admission requirements of the Graduate College; see the Manual of Rules and Regulations on the Graduate College website.

Students may only enter the program in the fall semester.
