Four-Year Graduation Plan

The following checkpoints list the minimum requirements students must complete by certain semesters in order to stay on the University's Four-Year Graduation Plan. Courses in the major are those required to complete the major; they may be offered by departments other than the major department.

Before the third semester begins: competence in first-year Portuguese.

Before the fifth semester begins: competence in intermediate Portuguese.

Before the seventh semester begins: three or four additional courses for the major and at least 90 s.h. earned toward the degree.

Before the eighth semester begins: seven courses in the major.

During the eighth semester: enrollment in remaining major coursework in the major, all remaining GE CLAS Core courses, and a sufficient number of semester hours to graduate.
