Honors in the Major

Students have the opportunity to graduate with honors in the major. They must have a cumulative University of Iowa grade-point average (GPA) of at least 3.33 and a GPA of at least 3.50 in the major in order to enter the honors program, and are required to maintain the same grade-point average requirements to earn honors in the major.

Students must earn 3 s.h. in PORT:4999 Honors Research and Thesis plus 3 s.h. in a course chosen in consultation with the department honors advisor. Both courses (6 s.h.) count toward the total 30 s.h. required for the major in Portuguese. Students also must write an honors thesis and present it orally to a committee of three faculty members.
