- c Students must complete specific requirements in the University of Iowa Graduate College after program admission. Refer to the Graduate College website and the Manual of Rules and Regulations for more information.
- d This requirement can be satisfied either by examination or through courses taken at the University of Iowa or another accredited university; coursework does not count toward the 30 s.h. required for the degree.
- e Comprehensive final exam which includes both written and oral components; see General Catalog and department website for more information.

a Two of the ten courses required for the degree may be taken in courses offered by related departments, subject to approval by the director of graduate studies.

b Work with faculty advisor to select appropriate graduate coursework.
