^a Students must complete specific requirements in the University of Iowa Graduate College after program admission. Refer to the Graduate College website and the Manual of Rules and Regulations for more information.
^b Students must complete at least 9 s.h. in elective courses. A maximum of one course numbered 7000-7999 is permitted

to apply toward the MS. See the General Catalog for list of approved courses.
^c The two-part written final examination is offered the week before classes begin in August; it covers the material presented in STAT:5100, STAT:5101, STAT:5200, STAT:5201, and STAT:5400. Students who do not succeed the first time they take the exam may repeat it once the week before the spring semester begins in January.
^d All students are encouraged to complete 2 s.h. in STAT:6990, engaging in a project that aligns with their application and career interests. Students typically register for the course in the fall and spring semesters of the second year for 1 s.h. each.
