Theatre Arts, MFA

Career Advancement

The graduate program in theatre develops not only talent but
discipline, self-confidence, and personal vision. Through their
work in courses and productions, through teaching and production
assistants, and through the intensive, individual mentoring
they receive from faculty, graduate students prepare themselves to
contribute to the nation’s culture. They can then enter the profession,
joining hundreds of other University of Iowa graduates who have
made their mark in theatre, film, television, and the entertainment
industry.
