

Health Systems, Graduate Certificate

Requirements

The graduate Certificate in Health Systems is built on the foundational courses from the Doctor of Nursing Practice (DNP) with a health systems subprogram. The certificate requires 19 s.h. of credit. Students must maintain a cumulative grade-point average of at least 2.50 in coursework for the certificate. The certificate is available to post-master's degree students seeking additional preparation in the area of health systems with a focus in administration or health systems and in administration with practice management.

The Certificate in Health Systems requires the following work.
