Bachelor of Science in Nursing, BSN

Career Advancement

The University of Iowa's BSN program provides broad preparation in clinical, scientific, community health, and patient education skills, and promises outstanding career options. With a BSN degree, students are eligible to work as a staff nurse; flight nurse; a nurse on medical, oncology, surgical, pediatric, emergency, or intensive care units; a nurse in outpatient or neighborhood clinics; or a home health care nurse.

The U.S. Bureau of Labor Statistics projects that employment for registered nurses to be among the top occupations in terms of job growth through 2033.
