Pediatric Nurse Practitioner—Acute Care, Graduate Certificate

Requirements

The graduate Certificate in Pediatric Nurse Practitioner—Acute Care requires 21 s.h. of credit. Students must maintain a cumulative g.p.a. of at least 2.50 in coursework for the certificate. The certificate is available for post-master’s Advanced Practice Registered Nurse (APRN) degree students who would like to pursue a second specialty.

The curriculum includes didactic and clinical core courses as well as specialty courses, as determined by the director of the program. Coursework and clinical hours are determined by a gap analysis.

The Certificate in Pediatric Nurse Practitioner—Acute Care requires the following work.

First Year
