

Community and Behavioral Health

Head

- Mark W. Vander Weg

Graduate degree: Ph.D. in community and behavioral health

Faculty: <https://www.public-health.uiowa.edu/cbh-faculty-list/>

Website: <https://www.public-health.uiowa.edu/cbh/>

Facilities

The department houses two centers. The Prevention Research Center for Rural Health focuses on improving the health of rural Iowans. The National American Indian and Alaska Native Addiction Technology Transfer Center disseminates culturally legitimate evidence-based practice in substance abuse and behavioral health, and provides technical assistance, training, and systems change assistance to urban as well as tribal providers across the country.

Graduate students may have opportunities to work with ongoing research projects in the centers.
