- a Minimum of 54 s.h. must be completed at UI; up to 6 s.h. of graduate transfer credits from an accredited institution or other units at UI may be allowed upon approval.
- b Students must complete specific requirements in the University of Iowa Graduate College after program admission. Refer to the Graduate College website and the Manual of Rules and Regulations for more information.
- c Graduate College program GPA is comprised of all courses that are approved degree requirements. If a student takes more than the minimum required number of semester hours to complete the degree, but all courses taken are eligible to count toward the degree, those courses will be included in the Graduate College program GPA.
- d Take four times for 1 s.h. each.
- e Students select elective courses (at least 6 s.h.) to reach 60 s.h. total earned for the degree; see the General Catalog for list of approved courses. Students may count a maximum of 6 s.h. of elective credit earned outside the Department of Health Management and Policy toward the MHA degree with their faculty advisor's approval.
