<td>Pre-business</td>
<td>Students must be admitted to the Tippie College to declare the accounting major. Students not already admitted to Tippie generally apply for admission during their second year as they are completing the prerequisite courses. Students are required to complete 52 s.h. of non-business coursework. Courses with a prefix of ACCT, BAIS, BUS, ECON, ENTR, FIN, MGMT, and MKTG will not count towards non-business hours. Check degree audit for non-business hours or confer with academic advisor. Students who need to complete the World Language requirement should consult with their academic advisor about when to add courses to plan of study. World Language counts as non-business coursework. To fulfill the Tippie RISE experiential learning requirement, complete an approved course in at least one of the following categories: research with faculty, internship course, study abroad, experiential course. Students must satisfy the Tippie College of Business residence requirement: 45 s.h. of UI coursework after admission to Tippie. Each state requires 150 s.h. to become a licensed CPA, including specific courses and a minimum number of accounting hours. In many states, the required accounting hours exceed the minimum requirements of the BBA. Students should review their state's educational requirements at the National Association of State Boards of Accountancy (NASBA) website and consult with the director of the Master of Accountancy program as needed.
d. Enrollment in math courses requires completion of a placement exam.
e. GE courses may be completed in any order unless used as a prerequisite for another course. Students should consult with an advisor about the best sequencing of courses.
f. Business Core Part I component; required to declare major.
g. Must be admitted to Tippie to enroll in BUS:3000. Generally completed during the second year, but should be taken no later than the third year.
h. One accounting major elective required, but both are highly recommended for students taking the CPA exam.
i. ACCT:3500 recommended; typically this course is offered in fall semesters only. Check MyUI for course availability since offerings are subject to change.
j. Either ACCT:4280 or ACCT:4400 recommended; typically both of these courses are offered in spring semesters only. Check MyUI for course availability since offerings are subject to change.
k. Please see Academic Calendar, Office of the Registrar website for current degree application deadlines. Students should apply for a degree for the session in which all requirements will be met. For any questions on appropriate timing, contact your academic advisor or Degree Services.
