#### Academic Career

**Any Semester**

- Pre-business students must be admitted to the Tippie College to declare the accounting major. Students not already admitted to Tippie generally apply for admission during their second year as they are completing the prerequisite courses.\(^a\)

- Completion of prerequisites and Business Core Part I, a grade of B- or higher in ACCT:2100 Introduction to Financial Accounting, and UI and cumulative GPA of 3.00 or higher is required to declare the major.

- Students are required to complete 52 s.h. of non-business coursework. Courses with a prefix of ACCT, BAIS, BUS, ECON, ENTR, FIN, MGMT, and MKTG will not count towards non-business hours. Check degree audit for non-business hours or confer with academic advisor.

- To fulfill the Tippie RISE experiential learning requirement, complete an approved course in at least one of the following categories: research with faculty, internship course, study abroad, experiential course.\(^b\)

- Students who need to complete the World Language requirement should consult with their academic advisor about when to add courses to plan of study. World Language counts as non-business coursework.

- Students must satisfy the Tippie College of Business residence requirement: 45 s.h. of UI coursework after admission to Tippie.\(^c\)

See degree audit for course options.

All major courses in accounting must be completed at the University of Iowa.

Enrollment in math courses requires completion of a placement exam.

GE courses may be completed in any order unless used as a prerequisite for another course. Students should consult with an advisor about the best sequencing of courses.

Business Core Part I component; required to declare major.

Students must have a UI and cumulative GPA of at least 3.00, and earn a grade of B- or better in ACCT:2100 in order to declare the accounting major.

To begin accounting major coursework, students must have accounting major declared and grade of B- or higher in ACCT:2200.

Must be admitted to Tippie to enroll in BUS:3000. Generally completed during the second year, but should be taken no later than the third year.

A significant percentage of accounting graduates pursue the CPA license. Requirements to sit for the CPA exam and for CPA licensure vary by state. Each state requires 150 s.h. to become a licensed CPA, including specific courses and a minimum number of accounting hours. In many states, the required accounting hours exceed the minimum requirements of the B.B.A. Students should review their state's educational requirements at the National Association of State Boards of Accountancy (NASBA) website and consult with the undergraduate accounting program director as needed.

Typically this course is offered in fall semesters only. Check MyUI for course availability since offerings are subject to change.

One accounting major elective required, but both are highly recommended for students taking the CPA exam.

ACCT:3500 recommended; typically this course is offered in fall semesters only. Check MyUI for course availability since offerings are subject to change.

ACCT:4400 recommended; typically this course is offered in spring semesters only. Check MyUI for course availability since offerings are subject to change.

Please see Academic Calendar, Office of the Registrar website for current degree application deadlines. Students should apply for a degree for the session in which all requirements will be met. For any questions on appropriate timing, contact your academic advisor or Graduation Services.
