• Ryan J. Wilson

Director, Undergraduate Program
• Lisa M. L. Dutchik

Director, Master of Accountancy
• Kevin J. Den Adel

Director, PhD Program
• Dain Donelson

Director, RSM Institute of Accounting Education and Research
• Jaron Harp Wilde

Undergraduate major: accounting (BBA)
Graduate degrees: MAC; accounting subprogram for the PhD in business administration

Faculty: https://tippie.uiowa.edu/people/?department=Accounting&cohort=538101
Website: https://tippie.uiowa.edu/about/accounting-department

The Department of Accounting offers a broad education that prepares undergraduate and graduate students for careers in auditing, corporate accounting, management consulting, taxation, government, not-for-profit organizations, and academia.

The department also collaborates with the College of Law to offer the combined MAC/JD program; see Combined Programs under Master of Accountancy in this section of the catalog. It also participates in the MBA program; see the Master of Business Administration Program in the catalog.

Accounting Program

The accounting program draws on curricula that provide a strong base of traditional technical subject matter and the skills needed for solving complex business problems. This framework of study enables students to continue professional growth over the entire span of their careers. The program emphasizes communication skills and provides the academic background required for leadership positions in business, government, and public accounting. It can also qualify students to take the Certified Public Accountant (CPA) examination.

The accounting program leads to a Bachelor of Business Administration with a major in accounting, which requires 120 s.h. of credit and the Master of Accountancy, which requires 30 s.h. of graduate credit. Students are granted the BBA upon successful completion of the third and fourth years; they are granted the MAC after successful completion of 30 s.h. beyond the BBA.

Programs

Undergraduate Program of Study
Major
• Major in Accounting (Bachelor of Business Administration)

Graduate Programs of Study
Majors
• Master of Accountancy
• Accounting subprogram for the Doctor of Philosophy in Business Administration

Courses

Accounting Courses

ACCT:1300 First-Year Seminar 1 s.h.
Small discussion class taught by faculty member; topics chosen by instructor; may include outside activities (e.g., films, readings, visits to research facilities).

ACCT:2100 Introduction to Financial Accounting 3 s.h.
Accounting and financial reporting procedures used by business and not-for-profit entities; emphasis on accounting concepts and use of accounting information in making economic decisions.

ACCT:2200 Managerial Accounting Analytics and Data Visualization 3 s.h.
