

Business Administration, Minor

Students who will have completed all requirements for the minor when they graduate should indicate a business administration minor on their Application for Degree. Contact the Undergraduate Program Office for more information about the minor in business administration.

Requirements

The undergraduate minor in business administration requires at least 36 s.h., including at least 12 s.h. offered by the Tippie College of Business. Students must maintain a grade-point average of at least 2.00 in the minor overall and in all courses in the minor taken at the University of Iowa. Coursework in the minor may not be taken pass/nonpass.

The minor can be earned by all University of Iowa undergraduates except BBA students in the Tippie College of Business and College of Liberal Arts and Sciences students in the business studies track of the interdepartmental studies major.

The minor in business administration requires the following courses or their equivalents. Some of these courses have prerequisites and other requirements for registration; students must complete a course's prerequisites and meet its registration requirements before they may register for the course. For more information, visit Minor in Business Administration on the Tippie College of Business website.
