

# Artificial Intelligence and Machine Learning, Graduate Certificate

## Requirements

The graduate Certificate in Artificial Intelligence and Machine Learning requires 12 s.h. of credit. Students must earn a Graduate College program grade-point average (GPA) and UI cumulative GPA of at least 2.75 to complete the certificate.

Applicants must meet the admission requirements of the Graduate College and the Certificate in Artificial Intelligence and Machine Learning. For additional information, see the Manual of Rules and Regulations on the Graduate College website and Certificate-Only Admissions on the Tippie College of Business website.

With program approval, students may count up to 3 s.h. of previous graduate or professional coursework toward the certificate.

Certificate courses are offered online. Not all courses listed are regularly offered. Students should consult MyUI for course availability and/or discuss course offerings with their advisor.
