Economics, BA

Academic Plans

Four-Year Graduation Plan

The following checkpoints list the minimum requirements students must complete by certain semesters in order to stay on the university's Four-Year Graduation Plan.

Before the third semester begins: at least one-quarter of the semester hours required for graduation.

Before the fifth semester begins: at least half of the semester hours required for graduation.

Before the seventh semester begins:
- ECON:1100 Principles of Microeconomics
- ECON:1200 Principles of Macroeconomics
- MATH:1350 Quantitative Reasoning for Business
- ECON:3150 Intermediate Microeconomics
- ECON:3100 Intermediate Macroeconomics
- STAT:1030 Statistics for Business
- ECON:3300 Introduction to Econometrics
- at least three-quarters of the semester hours required for graduation.

Before the eighth semester begins: at least two applied field courses.

During the eighth semester: all remaining coursework in the major, all remaining GE CLAS Core courses, and a sufficient number of semester hours to graduate.

Sample Plan of Study

Sample plans represent one way to complete a program of study. Actual course selection and sequence will vary and should be discussed with an academic advisor. For additional sample plans, see MyUI.

</table>

a Sustainability must be completed by choosing a course that has been approved for Sustainability AND for one of these General Education areas: Natural Sciences; Quantitative and
Formal Reasoning; Social Sciences; Historical Perspectives; International and Global Issues; Literary, Visual, and Performing Arts; or Values and Culture.

b Fulfills a major requirement and may fulfill a GE requirement.

c Students who have completed four years of a single language in high school have satisfied the GE CLAS Core World Languages requirement. Enrollment in world languages courses requires a placement exam, unless enrolling in a first-semester-level course.

d Students may use elective courses to earn credit towards the total s.h. required for graduation or to complete a double major, minors, or certificates.

e Enrollment in math courses requires completion of a placement exam.

f Both ECON:3100 and ECON:3150 must be completed at the University of Iowa.

g GE CLAS Core courses may be completed in any order unless used as a prerequisite for another course. Students should consult with an advisor about the best sequencing of courses.

h Students must complete five ECON courses (15 s.h.) numbered 3325-3875 with the exception of ECON:3870.

i At least three of the applied field courses must be completed at the University of Iowa.

j Please see Academic Calendar, Office of the Registrar website for current degree application deadlines. Students should apply for a degree for the session in which all requirements will be met. For any questions on appropriate timing, contact your academic advisor or Graduation Services.
