a See degree audit for course options.

b Enrollment in math courses requires completion of a placement exam.

c GE courses may be completed in any order unless used as a prerequisite for another course. Students should consult with an advisor about the best sequencing of courses.

d BUS:2200 should be completed in the second year before FIN:3020.

- e This Accelerated Four-Year Plan outlines coursework to prepare for two finance internships after the second and third years. For a Standard Four-Year Plan, with one internship between the third and fourth years, see the Tippie College of Business website.
- f Must be admitted to Tippie to enroll in BUS:3000. Generally completed during the second year, but should be taken no later than the third year.
- g Select from list of approved courses in the General Catalog or on degree audit. Students may not earn credit for both FIN:4340 and FIN:4350 due to overlap in course content.
- h Please see Academic Calendar, Office of the Registrar website for current degree application deadlines. Students should apply for a degree for the session in which all requirements will be met. For any questions on appropriate timing, contact your academic advisor or Degree Services.
