

Finance, M.S.

The Master of Science in finance program is a three-semester, STEM-designated program. Students have the opportunity to enroll in a combined degree program with the M.S. in business analytics program, and current University of Iowa undergraduate students may apply to a combined undergraduate degree/M.S. graduate degree program. For more information, see Combined Programs [p.] in this section of the catalog.

Learning Outcomes

Core Competency

- Students acquire and exhibit knowledge about fundamental financial concepts.

Business Applications

- Students acquire and exhibit knowledge about applying financial concepts in business and financial markets.

Communication
