The Department of Finance is committed to delivering programs of study that integrate the technology and analytics of today's global financial community. The goal is to provide students with the technical skills they need to enhance their managerial effectiveness, whether they work in large corporations, small organizations, or private consulting.

The department offers undergraduate majors in finance and risk management and insurance, the Master of Science program in finance, and the subprogram in finance that leads to the PhD in business administration. Additionally, they participate in the MBA program; see the Master of Business Administration Program in the catalog. The department also partners with the Emmett J. Vaughan Institute of Risk Management and Insurance to offer the undergraduate Certificate in Risk Management and Insurance.
