Certificate courses are offered online and select courses may occasionally be offered in Des Moines at the John and Mary Pappajohn Education Center (JMPEC).

Not all courses listed are regularly offered. Students should consult MyUI for course availability and/or discuss course offerings with their advisor.

Combined Programs

Certificate/Graduate Degrees

Students can pursue a professional Certificate in Corporate Finance concurrently with their graduate degree. A separate application to each degree program is required. Applicants must be admitted to both programs before they may be admitted to the combined degree program.

With approval from the professional certificate program, students may count up to 3 s.h. from any graduate degree program toward their certificate.

Students should contact their degree program and the certificate program to work out combined program details.
