Innovation, Professional Certificate

Admission

Admission decisions are based on completed application materials, including quality and quantity of work experience and undergraduate or graduate academic performance. View Graduate Certificates Admissions on the Tippie College of Business website for specific guidelines.

Applicants whose first language is not English must score at least 100 (internet-based) on the Test of English as a Foreign Language (TOEFL) or must have a successful admission interview. In place of TOEFL, the program accepts International English Testing System (IELTS) scores. For information about registering for TOEFL or IELTS and reporting scores to the University, see the English language requirement on the Tippie College of Business Iowa M.B.A. Admissions website.

Students are admitted during the summer, fall, or spring. Applications are accepted throughout the year.
