

Marketing, Professional Certificate

Requirements

The professional Certificate in Marketing requires 12 s.h. of credit. Students must earn a cumulative grade-point average of at least 2.75 in certificate coursework.

The certificate is open to individuals with a desire to build their marketing knowledge and skills. It is also open to current Iowa MBA Program students. Students in the Iowa MBA Program may complete the certificate as they work toward their degree; the certificate is designed to fit into the MBA curriculum allowing students to earn the MBA and the certificate without additional coursework.

The study of marketing includes the activities and processes for creating, communicating, and delivering products and services that add value for customers. Students learn the foundations of marketing and build specialized skills in a diversity of marketing functions, including the newest concepts and tools in digital and social marketing.

Certificate courses are offered online and select courses may occasionally be offered in Des Moines at the John and Mary Pappajohn Education Center (JMPEC).

Not all courses listed are regularly offered. Students should consult MyUI for course availability and/or discuss course offerings with their advisor.
