

Master of Business Administration, MBA

Admission

Admission

The Iowa MBA Program admits students for entry in summer, fall, or spring; applications are accepted throughout the year. Admission decisions are based on completed application materials, including quality of work experience, undergraduate GPA, and optional scores on the Graduate Management Admission Test (GMAT) or Graduate Record Examination (GRE) General Test. While not required for admission purposes, applicants can submit GMAT/GRE scores to strengthen an application and those scores may be used in consideration for scholarship awards. For guidelines, view Iowa MBA Admissions on the Tippie College of Business website.

English language requirements are mandatory for applicants whose first language is not English. Information on these requirements and test options can be found on the Iowa MBA International Admissions website.

Admission decisions are made before registration begins for completed applications received by the priority application deadline. Admitted applicants who have met the priority application deadline may request registration for classes on the first registration date. See the Iowa MBA Admissions website for priority and final application deadlines.
