

Master of Business Administration, MBA

CIMBA Italy MBA

The CIMBA Italy MBA requires 52–55 s.h. of graduate credit. Students must maintain a program grade-point average of at least 2.75. The 11-month full-time program is held primarily at the CIMBA campus in Paderno del Grappa, Italy, but the final course is completed on the University of Iowa campus in Iowa City. A two-year part-time program also is available for working professionals living in Italy.

The program focuses on personal leadership development and emphasizes strategic management, consulting, and international business. Students apply what they learn through a consulting project with local and international companies. In addition to the MBA degree, students earn certificates through Kepner-Tregoe in problem solving and decision making, and in project management. The program draws its faculty from the University of Iowa and from institutions across the United States and Europe.

The full-time program admits students only for fall semester entry. Part-time applicants typically start in the fall but may be permitted to begin the program at other times.

The CIMBA Italy MBA program requires the following coursework.

| Course # | Title | Hours |
|-----------|--|-------|
| MBA:8110 | Marketing Management | 3 |

Elective coursework to complete degree requirements can vary each year in the Italy MBA program; students should consult their advisor

Admission

Admission decisions are based on an applicant's completed application, which includes a résumé, academic qualifications, essays, an interview demonstrating experience and English proficiency, and scores on the Graduate Management Admission Test (GMAT) or Graduate Record Exam (GRE) General Test. Applicants are recommended to have at least two years of professional work experience.
