

Risk Management and Insurance, Professional Certificate

Combined Programs

Certificate/Graduate Degrees

Students can pursue a professional Certificate in Risk Management and Insurance concurrently with their graduate degree. With graduate program approval, students may count up to 9 s.h. from the professional certificate toward their graduate degree. With approval from the professional certificate program, students may count up to 3 s.h. from any graduate degree program toward their certificate. Students should contact their degree program and the certificate program to work out combined program details. Separate application to each degree program is required. Applicants must be admitted to both programs before they may be admitted to the combined degree program.
