

# Risk Management and Insurance, Professional Certificate

## Requirements

The professional Certificate in Risk Management and Insurance requires 12 s.h. of credit. Students must earn a cumulative grade-point average of at least 2.75 in certificate coursework.

The certificate is open to current Professional MBA Program students and individuals with a desire to complete the certificate to build their skills and knowledge in risk management and insurance. Students in the Professional MBA Program may complete the certificate as they complete their degree; the certificate is designed to fit into the MBA curriculum allowing students to earn the MBA and the certificate without additional coursework.

Certificate courses are regularly offered online and select courses may occasionally be offered at two locations in Iowa: Cedar Rapids at the Tippie College of Business Cedar Rapids Center and Des Moines at the John and Mary Pappajohn Education Center (JMPEC); see program locations on the Tippie College of Business website.
