Career Center Programs

Director
- Angi McKie

Website: https://careers.uiowa.edu/

The University of Iowa Marvin A. and Rose Lee Pomerantz Career Center administers the University’s Career Center Programs. Students may use the Pomerantz Career Center’s services at any time during their academic careers. The center encourages entering first-year and transfer students to visit after they arrive on campus and to make use of all of the center’s services throughout their study at Iowa.

The center offers tailored professional career advising to students who are deciding on majors that connect with career interests, résumé and cover letter help, job and internship strategies, ways to gain hands-on experience, interview strategies, and other career-related topics. Students also can drop in daily for assistance from career peer advisors. Workshops and programs are presented to students across campus on career and professional development-related topics each semester.

Academic courses in career-related topics, such as career exploration and job search skills, are available each semester for academic credit ranging from 1-3 s.h. per course. See “Professional Development Courses” below for more information. Other courses are offered through the Leadership Studies Program.

The center hosts several career fairs each fall and spring, offering students the opportunity to talk with and learn about prospective employers.

The Pomerantz Career Center facilitates job and internship interviewing with a wide range of employers: regional, national, and international; profit and nonprofit; state and federal government. Employers conduct on-campus interviews at specific times during the year, and many post immediate openings year-round for internships and for full-time positions. On-campus recruiting and job, internship, and student employment postings are available online; visit Handshake on the Pomerantz Career Center website.

The center helps students find internships in Iowa, the Midwest, nationwide, and sometimes in other countries. For discipline-related internships (all require course registration), see Courses (p. 1) in this section of the Catalog.

For more information about the center’s services and facilities, contact the Pomerantz Career Center.

Professional Development Courses

Professional development courses give students the opportunity to engage in practical, hands-on, skills-based instruction relevant to careers and leadership development. The topics and curricula for the following courses incorporate input from employers, who were surveyed about their experiences, real-world examples, guidance, and the skills they most often seek when hiring new graduates.

Courses

Career Center Programs Courses

CCP:1005 Internship in Liberal Arts and Sciences  0 s.h.
Recognition of practical work experience and internships.

CCP:1006 Internship in Business  0 s.h.
Recognition of practical work experience and internships.

CCP:1007 Internship in Education  0 s.h.
Recognition of practical work experience and internships.
Requirements: admission to Teacher Education Program for undergraduates.

CCP:1010 Internship in Nursing  0 s.h.
Recognition of practical work experience and internships.
Requirements: admission to College of Nursing.

CCP:1015 Internship  0 s.h.
Recognition of practical work experience and internships.

CCP:1017 Winterim Externship  0 s.h.
Recognition of practical work experience for career exploration; externships are shorter in duration and can include job shadowing, small projects, and informational meetings under the mentorship of a supervising professional; experiential education course that provides students with an opportunity to expand on their externship by reflecting on their experience through a self-assessment and evaluation; does not meet the Tippie RISE requirement for business students or CPT/Academic Training requirements for students on an F-1 or J-1 visa.

CCP:1069 Military-to-Civilian Career Exploration  arr.
Increase service and veteran members’ awareness of skills for employment and of personal qualities when hired; improve student’s ability to choose career that is right for them through self-discovery and research; focus on role of personal interest, skills, and aptitudes in attaining and succeeding in given career pursuits; use and interpretation of career-related assessment inventories, how this information can lead to job and career satisfaction.

CCP:1091 Internship in Law  0 s.h.
Recognition of practical work experience and internships.

CCP:1170 Internship in Public Health  0 s.h.
Recognition of practical work experience and internships.
Requirements: admission to the College of Public Health.

CCP:1201 Academic Internship  1-3 s.h.
Opportunity for students to expand on internship experiences by developing learning objectives and reflecting on experience; how internship experience relates to academic coursework and future career goals. Prerequisites: a minimum g.p.a. of 2.00. Requirements: secured internship, cumulative g.p.a. of at least 2.00, and completion of 24 s.h. of UI coursework (12 s.h. for transfer students).

CCP:1300 Major and Career Explorations  1 s.h.
Helps students identify their interests, skills, and values relative to majors and careers; self-assessment, informational interviews, research on majors and careers.
CCP:1301 Communication for the Workplace 1 s.h.
How effective verbal and written communication is utilized in
the workplace; how email and social media communication
is used at work; appropriate ways to utilize assertiveness
skills; development of refined presentation skills necessary for
the workplace; hands-on, skills-based learning environment.
Requirements: sophomore or higher standing.

CCP:1302 Office Etiquette for the Workplace 1 s.h.
How professionalism and work ethic is demonstrated in the
workplace; time management and organization skills relevant
to full-time employment; succeeding in multigenerational
workplaces; hands-on, skills-based learning environment.
Requirements: sophomore or higher standing.

CCP:1303 Successful Teamwork for the Workplace 1 s.h.
Demonstration of problem solving and self-awareness skills
relevant to the workplace; application of listening and critical
thinking skills; how to perform with a global mindset in the
workplace; hands-on, skills-based learning environment.
Requirements: sophomore or higher standing.

CCP:1306 UI STEP - Student to Employed Professional 2 s.h.
Current employment trends, changes in employer
recruitment, and career preparation procedures as
undergraduate students; analysis of current employment
and University experiences through self-assessment
activities; development of a personal action plan to minimize
experience gaps; expectations of entry-level employees in
résumé, interview, and on-the-job performance; small-group
discussion, online discussion boards, assigned readings,
education workshops, and action activities. Requirements:
student hourly or work-study employment. Recommendations:
sophomore or junior standing.

CCP:2001 Graduate Admissions 101 1 s.h.
Preparation for graduate school application and admissions
process; graduate entrance examinations, how to select a
graduate program, graduate school applications and personal
statements, securing a graduate assistantship, and graduate
group interviews. Recommendations: junior standing or one-
to-two years before start of graduate school for an intentional
and less stressful application process.

CCP:2004 Internships: Search, Secure, and Succeed 1 s.h.
Types of internships; how to find and succeed at an
internship; identifying internship priorities; creating
résumés; interviewing skills; successful networking; tips for
professionalism.

CCP:2006 Washington Center Internship Program arr.
Internship placements for all UI majors; sample internships
include United Way Worldwide, U.S. Department of Education,
Federal Trade Commission, Financial Services Roundtable,
Congressional offices, Urban Institute, Pan American Health
Organization, U.S. Department of the Interior, Peace Corps,
C-SPAN, Voice of America, U.S. Marshals Service, Federal
courts, and law offices; in addition to the internship, program
includes the LEAD Colloquium (Leadership, Civic Engagement,
Achievement, and Career Development), an academic course
with professional networking, participation in Presidential
Lecture Series, and Congressional Breakfast Series.

CCP:2020 Washington Center Seminar arr.
Combined classroom instruction, faculty-led discussions,
and experiential work opportunities; usually offered in
Washington, D.C., occasionally at other locations tied to an
event (e.g., political convention); one or two weeks.

CCP:2202 International Student Full-Time Academic Internship 9 s.h.
Academic credit for full time internship (minimum of 40
hours per week) that relates to student's major field.
Requirements: occupies an academic term (fall or spring)
and must participate in the internship and the course during
the same semester, F-1 or J-1 visa international student,
dergraduate standing in the Tippie College of Business,
minimum 3.00 g.p.a., must be approved by International
Student and Scholar Services (ISSS) for F-1 Curricular Practical
Training (CPT) or J-1 Academic Training (AT), and concurrent
registration in approved singular 3 s.h. distance education
course to reach full-time (12 s.h.) student standing.

CCP:3102 Job Search Essentials 1-3 s.h.
Essential skills for finding full-time employment; creating
and polishing a résumé, techniques for interviewing and
networking, and developing a personal job search plan; for
students thinking about graduation and wanting to get serious
about a job search. Recommendations: junior or higher
standing.

CCP:3103 MoneyWise 1-2 s.h.
Basics of personal finance for success at work and in life;
savings, debt, mortgages, loans, employer benefits, insurance
and student loans; may include investment basics (e.g.,
stocks, bonds, mutual funds, 401Ks, IRAs).

CCP:3104 Defining Your Career Path 2 s.h.
Transitioning between career fields; understanding personal
interests, values, and abilities; methods of researching
information on careers; career development models and
student preferences in making career-related decisions;
presentation for making career-related decisions through
participation in class and individual activities; balancing
current responsibilities such as finances and family during a
career transition. Requirements: 60 s.h. completed.

CCP:3105 Transitioning from Campus to the Workplace 1 s.h.
Essential skills for transitioning from college life to successful
career; tools for professional and personal success—
networking, professionalism, workplace communication,
managing personal image, and financial planning.
Recommendations: junior or higher standing.

CCP:3106 Career Computing Skills 2 s.h.
Students learn to use a variety of software to complete
projects that will be relevant in advancing their careers
(i.e., improving résumés, creating job search documents,
utilizing various tools for meetings, developing professional
presentations); email etiquette and efficiency; effective file
storage.

CCP:3107 Social Media for Your Job Search 1 s.h.
Effective use of social media for networking as part of
preparing for a job search; efficient identification and
utilization of online tools (e.g., LinkedIn, Twitter); building
a professional online presence; creating a plan for utilizing
social networks for an entry-level job search.

CCP:3169 Internship in Graduate Studies 0 s.h.
Recognition of practical work experience and internships.
Requirements: admission to Graduate College.

CCP:3203 Investment Wise: Personal Investment Basics 2 s.h.
Basic understanding of general principles of personal
investing; topics may include compounding, stocks, bonds,
mutual funds, 401K/403B, IRAs, diversification, and asset
allocation.
