Website: <https://careers.uiowa.edu/students/hawkeye-talent-initiative>

The Hawkeye Talent Initiative is a program that seeks to expand access to higher education at the University of Iowa. It provides talented low- and moderate-income students assistance in the achievement of academic success through academic coaching, peer mentoring, and student employment options. Students participate in activities that enhance their college experience inside and outside the classroom.

Entrance to the program is based on high school grade-point average, standardized test scores, and family income.
